This 7-year-old townhouse is one of the best that I have seen and is a must for a savvy new investor or owner occupier who appreciate it. The living area is spacious, a large kitchen with ample cupboard and bench space, a private courtyard and the bedrooms are well appointed.

The property features: Not just 1, but 2 car lock up garaging with remote control door and internal access into the home. Reverse cycle air-conditioned kitchen/dining areas opening out to the lounge and leads directly to the courtyard.

A large modern kitchen with a breakfast bar, electric wall oven, ceramic cooktop, stainless steel range hood, dishwasher, ample storage, stone bench tops offering lots of practical bench space....
