Make no mistake, the owner of this magnificent property is serious about selling and it must be sold. The property has been built and maintained to an exceptionally high quality and is evident at every turn. From the front colourbond fencing, to the irrigation at the rear of the property, everything has been done to a high standard. Situated on 9413m2 (approx. 2.31 acres) the property must be inspected to appreciate all it has to offer. There is also a 3024m2 fenced area on a separate title that can be sold for extra money if you wish. Don't buy anything until you have viewed and made an offer on this one.
